Waking up, breaking out;  
This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.

Jet sounds, a distant roar behind you  
as you try to clear your head.  
You start to look and answers find you;  
Your inner purpose lies ahead.

Waking up, breaking out;  
This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.

Waking up, breaking out;  
This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.

One step to calm the storm inside you.  
Unlock the secrets in your head.  
Not another day, no more confusion.  
No more living like we're dead.

It seems it's just out of sight,  
The ones with answers always get their way,  
but I think they should know  
That I'm coming for them now.

Waking up, breaking out;  
This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.

Waking up, breaking out;  
This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.

Waking up, breaking out;

This is what it's like to be free.  
Rip it up, tear it down;  
This is what it means to be free.
