I remember the first time You laughed with me
I remember the promises You would never leave my
side
Now I'm standin' with news of a tragedy
Standin' here with a fragile heart

See I never shed a tear I stayed strong for them, oh yes
I did
When everybody disappears it's only you that keeps
me strong
I can't imagine goin' on without you in my life
Goin' on with a fragile heart

When I think about, think about life Lord I think of You
I forget about everything else there's only You and I
I can't think about ever givin' up can't give up the fight
The only thing that matters Lord is You

I ain't got no time to pretend that I'm not missin' You
Oh no no no no
I know You're in good hands the same hands that hold
my heart
And I'll cherish every moment that we've spent
As a gift from God above for He takes care of all
fragile hearts
When I think about, think about life Lord I think of You
I forget about everything else there's only You and I
I can't think about ever givin' up ever givin' up the fight,
oh
For the only thing that matters when I'm goin' through
Is givin' my fragile heart right back to you

You see my fragile heart's been broken
And You're the only one who can put it all together
again
So I'm trustin' You Lord to see me through

There's only You and I
Can't think about ever givin' up can't givin' up the fight
Oh no no no
The only thing that matters when I'm goin' through
Is givin' my fragile heart right back to you

When I think about my life

I I I I forget about everything else
Only You and I
And I can't think about ever givin' up
Ever givin', ever givin' up the fight
