Just gimme the light and pass the 'Dro (hydro)
Bust another bottle of moe
Girl dem in a my sight and I gots to know
Which one is gonna catch my flow
Cause I'm in on my vibes and I got my dough
Bust another bottle of moe
Girl dem lookin hype and I gots to know

[Verse 1]

Could I be your protector
your buff in every sector
Everyman around dem wanna turn your inspector
but you no let them sweat ya
No grill you with no lecture
But dem da power drill or dem da fuel injector
Dem a infector
Disease collector
Nuff of dem a gone on like dem wan come wreck ya
Done out the part
where you got in your center
But you know you dont let them guys affect ya

[Chorus]

Just gimme the light and pass the 'Dro (hydro)
Bust another bottle of moe
Girl dem in a my sight and I gots to know
Which one is gonna catch my flow
Cause I'm in on my vibes and I got my dough
Bust another bottle of moe
Girl dem lookin hype and I gots to know

[Verse 2]

One / Two / Three / Four / Five of them
Situation gettin' really live again
Girl's dem wanna hang out with the players and the

Beside of them and dem say
Dem tired of the liars
Dem friars and connivers will never get inside of dem
Dem clyder dem
Especially the money hider dem
Watchie watchie girl bout dem
I try to make a bride of dem

Some of them move like a spiderman
Girl dem say nah come wide again
