Ye..ahhhh, ye-eee,

You gotta have love, (gotta have love)

gotta have love, REAL LOVE

when I was just a girl my moma said to me
you can't fight hate with hate, you gotta love
unselfishly, yea--h

love is not just a word, but a way of life you keep, you
need to know

that you're not here just to receive

now that I'm older, her advice I still take heed

for the power of His love lives in me, yeah, yeah

(VAMP) x1

you gotta have love, (LOVE) gotta have love on your
mind, gotta have love,

REAL LOVE

let your heart be your guide, gotta have love (LOVE)

love feels so good inside

it's gotta be love, it's gotta be love

or there's no sense in wasting your time

(Yolanda)

gotta have love, you gotta have un-conditional love

it's gotta be rea--llll love

it's gotta be agape love

or there's no sense in wasting your time

Y - didn't have to go far

B - go far to find myself uh,

Y - cuz he knows the real me

B - unknown to anyone else

I found a higher place whose voice the seas obey
(When) when I was a child, I heard the Word that said
now abide in these, faith, hope and charity
and the greatest of these three has set me free (FREE)

(VAMP) x2

you gotta have love, (LOVE) gotta have love on your
mind, gotta have love,
REAL LOVE
let your heart be your guide, gotta have love (LOVE)
love feels so good inside
it's gotta be love, it's gotta be love
or there's no sense in wasting your time

(Yolanda)

It's gotta be agape love, higher love than you can
understand
It's gotta be agape love, it's gotta be, gotta be
unconditional love
You gotta be an example, you gotta love in your heart,
that's where
Everything's gonna start
Gotta have love, it's gotta be agape love or there's
no sense in wasting your time
Time...uhhh ohhh gotta be God's unconditional love,
God's higher love

wasting your time
