When I would lay me down to sleep I'd always pray to my soul please keep. And when I awake, I would find myself giving you all praise, there was nothing no one could say to sway me, nor make me regret the day that you reached down and saved me when you came into my life, you took of all my guilt away, away, away away away.

I remember that day and oh Lord how I cried I got down on my knees and said lord hear my plea, take me and mold me oh shook me and you made me over and I'll never forget, I'll remember I will never forget I'll remember I'll never forget, I'll remember what you did for me Lord um um and all that you constantly keep doing for me Lord.

At the tender age of thirteen you saved me, filled me with the holy ghost and raised me, loved me when I thought I couldn't be loved trusted me with your holy word I'll never forget, no no those times when you were there for me, there for me, there for me, you showed me you cared, you showed me no matter what you will always be there, be there, you showed me that there is kindness in you, mercy abundantly in you, you keep on showing me your grace, yea, showing me your grace, yea, when I didn't deserve that you gave anyway when I didn't deserve that you gave me anyway when I did not deserve that you gave me anyway abundantly, abundantly grace over and over and over abundantly you told me that even in my sins you could give me hope, give me hope, after I come to you with all my problems after I come to you with all of my sins you said you would forgive me, forgive me, forgive me, forgive me, forgive me, you said that you would if I would confess you would, you would, you would, be there for me and you still do blot out all of my inequities and yes I remember yes I remember yea yea I remember yea that long time ago I should have been cut off from you but you and your grace and omnipotence taught me how to lean and depend and depend and depend and depend on you and you and

only you and you and only you and you and only you
um yea you and only you, you and only you, yes I
remember yes I remember, I remember it is so sweet to
trust in Jesus, just to take him at his word, to rest upon
his promises, to know that sayeth the Lord I remember,
I remember, oh yes I remember oh yes I remember oh
yes I remember I remember I remember, I remember I
remember um that I've seen the lightening flash, I've
heard the thunder roar bound sent breakers dashing
trying to conquer my soul, but I heard about you Jesus
telling me still to bide on your promise Lord your
promise Lord never to leave me, never to leave me,
never to leave me, never alone I remember, I
remember, yeah I remember what can wash away my
sins, nothing but the blood of Jesus, what can make me
whole again, nothing but the blood of Jesus, for my
pardon this I plea, nothing but the blood of Jesus, for
my cleansing this I shall seek nothing but the blood of
Jeses, nothing but his blood, nothing but his blood,
nothing but his blood, nothing but his blood, nothing
but his blood, nothing but his blood, and I remember
yes I remember oh yes I will, I will remember...
