Oh Lord, Oh Lord we lift you ooh we lift you up yeah
yeah yeah

[Verse 1:]

Raise my voice in testimony
'cause he's more than a friend to me
Gave my heart 'cause I believe he's the almighty
I can look at my life and see all the things that
He's done to set me free protecting me from harm
Raise my hands to show how I feel
His presence is oh so real
Till he's guiding me I'll be still
'cause I'd be lost without him
My heart and soul I dedicate and to show I appreciate
his love
I'll give him praise

[Chorus:]

Lift Him up
Each and everyday we celebrate our faith
(Lift Him Up)
In a song of praise thanking him for everything (Lift
Him up)
Devotion I express because I know I'm blessed (Lift Him
up)

Praise Him with every breath
Glorify His name, Lift Him up

[Verse 2:]

Use the temple He gave us
Do a joyful dance of worship
'cause His mercy is so precious and new every morning
Always let Him know that we're grateful for another
chance to say thank you
'Round the world sing it louder, for our heavenly father
To his almighty power
Let's glorify him, magnify him

[Repeat Chorus 2x]

You created the earth and the heavens above

And for our salvation you gave your own son
So we humble ourselves to your infinite power
Your love is greater than mine
(Your grace) and your grace is amazing
And through us we lift your holy name

[Repeat Chorus 2x]
