For all youve done -- Thank you
With my hands, I applaud the maker of creation, Holy
Father
With my mouth, I extol, shouts of jubilation, Hallelujah
(You satisfy my hearts desire) With many good things,
I gotta thank ya
(You redeemed my very life) To you my heart sings
(With everything, I lift you up high)
(Let everything within praise your holy name)
With everything I,
(With everything, I lift you up high)
Lift you up Lord, Everything within me
(Let everything within praise Your holy name)
With the dance, I will praise, rejoicing in my Savior
Oh Lord, Youve been good
For Your everlasting love and unmerited favor,
Grace and mercy to me
(The Glory of Your majesty), even the skies have to
display,
Yeah, yeah
(Day and night, and night and day) you're worthy of
praise
(With everything, I lift you up high)
I lift you, oh Lord I thank you, I gotta praise your Holy
Name
(with everything I lift you up high)
I lift you Lord, so wonderful, I gotta, (praise your name)
Everything I do I wanna do it all for you
Let me be calm when Im there, praising your holy name
I wanna lift you up so high for the world to see
(Bridge)
I lift my hands, my hands I raise
To give You glory, to give You praise
I wanna live, so I can give all of my service unto You
Because you're worthy Oh Lord your worthy
Oh yes, you're worthy, worthy of the praise,
And the honor and the glory
And all majesty belongs to you.
With everything I do, everywhere I go,
I gotta tell everybody about your goodness,
About your goodness, about your goodness
Oh yeah, Yeah, youve been good, Lord,

You've been good Lord, You've been good Lord
You've been good Oh
Better to me, better to me, better to me than I could
ever
Be to myself
You've been good Lord, that's why I thank you, that's
why I praise ya
Hey
My hands are lifted, my voice is raised, to give you
glory,
To give you praise
Huh, huh, praise ya, Huh, huh, praise ya
Oh I praise ya, Oh I praise ya
Oh, only you Lord, Only You Lord
Only you are worthy of the glory
You are worthy of the honor, uh, of the honor
You are worthy, worthy, worthy, worthy, worthy
I praise you, I lift ya, Magnify ya,
Because you are worthy of the praise.
