"Take Away"

Take away any desire in me that hurts You
Take away anything that stands between You and me
I want to be what You've created me to be
It's my desire that You find favor in me
Lord, take away anything that displeases You

Take away any evil thought within me
Take away anything that proves to break Your heart
I wanna be in sweet communion with You
It's my desire that I do everything You want me to do
Lord, take away anything displeases You

Remove all doubt, all insecurity
Erase all hate, all iniquity
Discard all the fear found deep within me
Lord, take away anything that displeases You

Remove all doubt, all insecurity
Erase all hate, all iniquity
Discard all the fear found deep within me
Lord, take away, take away
Lord, take away anything that displeases You

Take away, Lord, take away
Take away, Lord, take away
Take away, Lord, take away
Take away, Lord, take away

Take away any desire in me that hurts You
Take it away
