Something deep inside makes me smile when  
otherwise  
I would cry in hopeless wonder cause I have no peace  
inside  
Joy picks me up and takes me through  
It so real I m telling you  
So many trails I ve endured  
God has given me the cure  
I have a joy, a joy that s unspeakable  
It soothes my doubts  
When the way gets hard  
Although, I lived in sin  
He cleansed my heart  
Now lives within  
Saved my soul from a burning hell  
Christ lives in me now  
Oh

No the world didn t give this joy to me  
And this world can t take it away  
This world didn t to me no no no

I found a friend who s all the world to me  
His love is so ever true  
I love to tell how He growed me out  
And He changed my Life  
With christ in my heart without a doubt  
I am satisfied  
Now I am save from sin  
And hard leaning on His mighty arm  
Secured my soul  
Each day in every way  
I know He ll guide me  
The world didn t give this joy to me  
And this world cannot take my joy away  
The world didn t give it to me  
no no no

Nothing in this world can take the place of this joy  
and amazing grace  
He loosed my shackles and He set me free

I didn't deserve all that He's done for me  
He give me joy  
Unspeakable joy  
What a marvelous joy  
He gives a joy that's unspeakable  
I love him so  
So what a friend I have in Jesus  
All my sins and griefs He bears  
This joy gives me everything I need  
All I have to do is take it to Him in prayer  
He give me joy, joy, joy, joy, joy, joy  
When I'm stuck, when I'm lonely  
I still have joy  
Because I know He is my all  
My all  
My all in all  
I don't have to worry because  
He takes care of me  
And I know, I know, I know  
I know where my strength comes from  
I know where my joy comes from  
It's in Jesus  
It's in Jesus  
I can lean on Him  
I can depend on Him  
Wonderful, Counselor  
What is His Name?  
What is His Name?

Jesus

Joy, my joy

Now we're not talking about somebody about 6 foot six

Oh Jesus  
We're talking about Jesus  
Joy, my joy  
Jesus is the one Who gives us joy  
He's the One who sets us free  
He's the One who sets us free  
Because He is my joy I can dance  
Come on, everybody in the building sing

Come on, come on  
Talk about Jesus joy  
He is my all in all (8 times)  
Jesus is, Jesus is, Jesus is my all  
Joy, my joy  
One more time, one more time  
Come on, ya'll help

Joy.
