I know it's been a while now,  
Since you last heard from me,  
Or talked to me  
It's been kind of hard lately  
I've had a lot on my mind  
It's been so long that,  
I'm afraid that the words may not come out right  
But, tonight I'll try  
Tonight  
Tonight I'll try  
Tonight

I know that prayin' ain't always easy  
It's hard sometimes to express what you feel inside  
Especially when you don't think God is listening  
It's been raining now for sometime  
But instead of what I see  
You want me to trust You, working it out for me  
So, tonight I will try  
Tonight  
Oh oh oh  
Tonight I'll try  
Tonight

Who ever told you that living in this world would be  
easy?  
Baby, they lied  
And, whoever said that lovin' folk that don't love you  
back ain't really hard  
Even though you really tryin'  
Telling you what I'm going through  
Sometimes it's harder than I realize  
But tonight I'll try  
Tonight  
Tonight I'll try  
Tonight

So, tonight when you get home  
You oughta unplug the phone  
And get alone  
Tell your Father how you truly feel

Even if your words don't come out right  
For no matter how far you've gone  
God's love can find you, and bring you back home  
So, tonight you oughta try,  
Tonight  
So, tonight you oughta try,  
Tonight

Who ever told you that living in this world would be  
easy?  
Baby, they lied  
And, whoever said that lovin' folk who don't love you  
back ain't really hard  
Even though you really tryin'  
Telling you what I'm going through  
Sometimes it's harder than I realize  
But tonight I'll try  
Tonight  
Tonight I'll try  
Tonight

Tonight  
Take away my pain (Tonight)  
Take away my strains (Tonight)  
And let me live (Tonight)  
All over again (Tonight)  
Tonight I'm gonna throw my hands up (Tonight)  
Tonight I'm gonna give it all up (Tonight)  
Tonight I wanna turn it all around (Tonight)  
Put my feet on solid ground (Tonight)  
Won't you take me where you need to take me  
(Tonight)  
Won't you do with me what you wanna do with me  
(Tonight)  
Tonight  
Tonight  
This night  
Tonight  
I'm yours  
I'm yours [x3]
