Wherever You are, I wanna be
It's never too far, it don't matter to me
Just take me there

I wanna be, I wanna be

There's never a place too far, too far for me to go
'Cause I always feel at home with You
I'll cover the universe and land on every star
If I can find out where You are, it's true

Mountain high, valley low, desert heat, Arctic cold
Wherever You are, that's where I wanna be
Mountain high, valley low, desert heat, Arctic cold
Wherever You are, that's where I wanna be

Take me on a vision quest and focus in on me
So You can tell me what you see in me
Please don't let me live a lie, let me live in honesty
'Cause You're the only truth that can set me free
That's why I wanna go

Mountain high, valley low, desert heat, Arctic cold
Wherever You are, that's where I wanna be
I wanna be where You are
Wherever You are, that's where I wanna be

Without You, I feel like I could lose my mind
That's why I can't let go, I'll just keep on trying

Seeking You to the end of all time
Following You any place, anywhere
'Cause wherever You are, I wanna be there

I wanna be where You are
Wherever

I wanna be with You, wanna be, I wanna
Wanna be with You, wa-wa-wanna be with You
Yeah yeah yeah yeah, wanna be

Mountain high, valley low, desert heat, Arctic cold

Wherever You are, that's where I wanna be
I wanna be where You are
Wherever You are, that's where I wanna be

I don't like the cold but believe me I'll go
Wherever You are that's where I wanna be
Also 'ever You are, you are never too far away from me

That's why I, that's why gotta go
Wherever You go, I wanna go
Whatever You know, I wanna know
Plant the seed and I will grow
Your mysteries, I will know in time

C'mon and let me know where I have to go
In order to do what You want me to do
When You want me to do and how You want me to do

I wanna be where You are
Wherever You are, that's where I wanna be
I wanna be where You are
