There's a river
a river

a Muddy
Muddy River

that rolls right by my door.
There's a river
a river

a Muddy
Muddy River

that rolls right by my door.

There sits my woman

don't think she ain't
a little bit of devil

a little bit of saint
I wanna kiss her

but I know I cain't
'cross the Muddy
Muddy

Muddy
Muddy River

'cross the Muddy
Muddy

Muddy
Muddy
Muddy River

There's a river...

There sits my woman
on the other side

cryin' tears
she can't hide
I can't walk
and I can't ride
'cross the Muddy
Muddy

Muddy
Muddy
Muddy River.

There sits my woman

she knows I'm late
hope her love
don't turn to hate
just how long will
a woman wait on a
Muddy
Muddy
Muddy

Muddy River.
