Give your love to a cowboy man

He's gonna love ya hard as he can can

Give your love to a cowboy man

He's gonna love ya hard as he can

Oh the sargent at arms had masculine charms

He could keep all the ladies waiting

(1234)

His black leather boots kick the butts of recruits

What a way to keep up your rating

Ride that cowboy

Oh every single night

Ride that cowboy

Oh you can bet on your life

Ride that cowboy

Those men were working it right
Every single day all the ladies would say
Give your love to a cowboy man
He's gonna love ya hard as he can can
Give your love to a cowboy man
He's gonna love ya hard as he can
Oh general Acclaim sure lived up to his name
But his wife had different intentions
(Boom boom bang bang)
Fulfilling desires around the old campfires
Doing things I dare not mention
Ride that cowboy
Oh every single night
Ride that cowboy
Now you can bet on your life
Ride that cowboy
Those men were working it right
Every single day all the ladies would say
Give your love to a
Give your love to a
Give your love to a to a to a to a
Give your love to a to a to a to a
Give your love to a to a to a to a
Give your love to a to a to a to a
The unlisted men they all had a yen

To a lady they called Miss Lilly

Strutin' around on the cavelry ground

Just as hot as a love struck filly

Ride that cowboy

Oh every single night

Ride that cowboy

Now you can bet on your life

Ride that cowboy

Those men were working it right

Every single day all the ladies would say

Give your love to a cowboy man

He's gonna love ya hard as he can can

Give your love to a cowboy man

He's gonna love ya hard as he can

Give your love to cowboy man

He's gonna love ya hard as he can can

Give your love to a cowboy man

He's gonna love ya hard as he can

Give your love to a cowboy man

He's gonna love ya hard as he can can

Give your love to a cowboy man

He's gonna love ya hard as he can

Give your love to cowboy man

He's gonna love ya hard as he can can

Give your love to a cowboy man

He's gonna love ya hard as he can

Get yourself a cowboy love

Hop shoo bop, hop ride

Hop shoo bop, hop ride

Hop shoo bop, hop ride

Hop shoo bop, hop ride

Hop shoo bop, hop ride

Hop shoo bop, hop ride

Hop shoo bop, hop ride
