The way you hold my hand baby
The way you whisper in my ear
The way you buy my fancy diamonds
It doesn't mean a thing to me

You know I am not in love
I am not in love
You know I am not in love
I am not in love with you
You know I am not in love
I am not in love
You know I am not in love
I am not in love with you
I am not in love

I am not in love
Not not not
Not in love baby
Not in love
Not in love
Not not not
Not in love baby
Not in love
I love the way you kiss me baby
I love the way you touch my hair
I love the way you give me money
But honey you won't get in my bed

You know I am not in love
I am not in love
You know I am not in love
I am not in love with you
I am not in love
You know I am not in love
I am not in love
You know I am not in love
I am not in love with you
You know I am not
You know I am not
Aaaa
I am not in love

Not not not
Not in love baby
Not in love
Not in love
Not not not
Not in love baby
Not in love
Not not not
Not in love
