We've been on the run
Driving in the sun
Looking out for #1
North Dakota here we come
Right back where we started from

Hustlers grab your guns
Your shadow weighs a ton
Driving up the 29
North Dakota here we come
Right back where we started from

North Dakota
Here we come!

On the stereo
Listen as we go
Nothing's gonna stop me now
North Dakota here we come
Right back where we started from

Pedal to the floor
Thinkin' of the roar
Gotta get us to the show
North Dakota here we come
Right back where we started from

North Dakota (North Dakota)
Here we come!

North Dakota, North Dakota
Here we come!

North Dakota, North Dakota
Here we come!

North Dakota, North Dakota
Here we come!

North Dakota, North Dakota
Here we come!

North Dakota, North Dakota
Here we come!
