Baby Baby Don't Try To Play Me...  
You Know Somethings Wrong...  
That's Why I'm Not Talking To You....  
Baby Baby, Don't Even Fake It  
You Have Broke My Heart  
And There's Nothing You Can Do  
I Tried To Call You, Just The Other Day  
And Your Own Sister Told Me  
Someone Was Taking My Place  
So You Wouldn't Come To the Phone  
She Forgot To Put Me On Hold  
And I Can't Believe What I Heard,  
What I Heard In Your Verry Own Words

[~ Chorus ~]

How could you call her (how could you call her baby)  
how could she be ( how could she be your lady)  
thought you were mine (thought you were mine)  
and i was yours (your own words)  
how could you call her sweetheart  
how come you breakin my heart  
how could you be (how could you be) howw yess so  
wrong

Baby Baby  
Hear What I'm saying  
I Am Not Your Fool  
You Should See Me Now It's Gone  
Baby baby Must Think I'm Crazy  
I Will Not Come Back  
All The Lies Have been To Wrong  
Don't Try To Call Me  
Cuz I Don't have The Time  
I'll Be Much Much To Buzzy  
Hanging Out With Friends Off Mine oowh  
If We Meet In The Streets  
You Should Not Even Bother To Speak  
Cuz I Still Hear The Words In My Head  
Those Are Some Words I Will Never Forget

[~ Chorus ~]

Boy You Own Me An Appoligi  
Just Don't Look For Forgiveness Frome Me  
and i tryed my best to understand  
but i stuck for you all that i can  
if i ever see you in the streets  
just forget that you ever knew me  
cuz i still hear the words in my head  
Those are some words i will never forget

[~ Chores ~] Till End
