On the verge of somewhere he wanted to be  
Thought he'd take a chance, thought he'd take a dive  
He wandered away, wandered away from his nothing  
life  
He wandered away, wandered away from his nothing  
life  
Feeling sad and laughed at, misunderstood  
Just how dry have I become  
He wandered away, wandered away from his nothing  
life  
He wandered away, wandered away from his nothing  
life  
Passed the edge of nowhere  
he ever thought he'd be  
He pressed down, and then he took the bait.  
He wandered away, wandered away from his nothing  
life, his nothing life
