For the moment slipped right through him  
Combed his hair, combed his hair  
Knew the feeling of contentment  
The actors' actor  
The actors' actor  
Smiled a smile uncomprehending  
I took his time, took his time  
Wore a hat, so he'd impress her  
They took a ride  
They took a ride  
As I could wait for hours  
I could wait and never fall down  
Never fall down  
Never fall down  
He is down beside the river  
He is down beside the river  
He is down beside the river  
He is down beside the river
