Seems like falling down
Or away, lost at sea
Or the one that's left behind
Or away, of you and me
Maybe I know that
Maybe it's better
But I can't forget the time
I know where I am
Every day, every night
Like the one who knows too much
Trusts the same old thing
Maybe I know that
Maybe it's better
But I can't forget the time
Realising nothing
I remember when
Maybe I know that
Maybe it's better
But I can't forget the time
Maybe I know that
Maybe it's better
Maybe it's nothing
But I can't forget the time
