Several times over several days
I wasn't blind, but I acted that way
Causing you pain, well now I have to explain

As the empty feeling turns from black to blue
I can't believe this never happens to you
I see it on the TV and I laugh out loud
But it's the way I feel right now
Cooler than me, my confidence high
Reset the scene, no way to deny it
Finally I won and then I was undone

As the empty feeling turns from black to blue
I can't believe this never happens to you
I see it on the TV and I laugh out loud
But it's the way I feel right now

As the empty feeling turns from black to blue
I can't believe this never happens to you
I see it on the TV and I laugh out loud
But it's the way I feel right now
