I like to hold hand when we walk, I'm not adverse to
pillow talk,
But I prefer a private joke, the memory it evokes,
Because, it's our punchline, its our punchline

That film we saw from the front row, it means so much
to us alone,
Well I love the wrinkled brow, of anyone else around,
Because, it's our punchline, its our punchline

And when were out then you say, "it would appear, we
laugh and laugh no one else hears, no one at all, at all,
at all....."

And when were out then you say, "it would appear, we
laugh and laugh no one else hears, no one at all, at all,
at all....."

If you want to be a romantic fool, you don't have to say
I love you, just say whats in your heart, non sequitor or
not, and without even trying find your punchline, find
your punchline
