Come won't you walk with me Griselda,
Wearing the dress that moonlight shines through.
I am a sad and lonely boy ,
Since your mother said I couldn't see you.
Slipping through the wood in the dark of the night,
Calling to the moon out yonder
O Lady Moon won't you shine a silver light, and lead me
to my Griselda.
Do you recall last night Griselda?
Learning the lessons nature taught us.
Watching the fish up the lake,
It was lovely till your mother caught us.
Slipping through the wood in the dark of the night,
Calling to the moon out yonder
O Lady Moon won't you shine a silver light, and lead me
to my Griselda.
Moonflower find upon the window,
Give me a foothold for my finding.
Ive got a row boat on the lake.
Fishing around and all the sun was shining.
Slipping through the wood in the dark of the night,
Calling to the moon out yonder
O Lady Moon won't you shine a silver light, and lead me
to my Griselda.
Ive got a jug of wine Griselda.
Why must you waste your time in sorrow?
Hold out your hand; have no fear.
If were caught, I'll marry you tomorrow.
Slipping through the wood in the dark of the night,
Calling to the moon out yonder
O Lady Moon won't you shine a silver light, and lead me
to my Griselda.
Slipping through the wood in the dark of the night,
Calling to the moon out yonder
O Lady Moon won't you shine a silver light, and lead me
to my Griselda.
