In the midnight, moonlight hour  
She's walking along that lonely mile  
And every time I do  
I keep seeing these pictures of you

Here comes my baby, here she comes now  
And now it comes as no surprise to me  
With another guy

Well, here comes my baby, here she comes now  
Walking with a love, with a love that's, oh, so fine  
Never to be mine, no matter how I try

You never walk alone  
And you're forever talking on the phone  
I try to call you names  
But every time, it comes out the same

Here comes my baby, here she comes now  
And now it comes as no surprise to me  
With another guy

Well, here comes my baby, here she comes now  
Walking with a love, with a love that's, oh, so fine  
Never to be mine, no matter how I try

Here comes my baby, here she comes now  
And now it comes as no surprise to me  
With another guy

Well, here comes my baby, here she comes now  
Walking with a love, with a love that's, oh, so fine  
Never to be mine, no matter how I try  
No matter how I try, no matter how I try
