Darling, there is something I must tell you, you must know

But it's so hard to say the words I feel  
This fancy that I'm on, has been goin' on too long  
It's time we stopped pretending things are real

'Cause I've been living deep in sin, I've been telling lies  
And I don't know just what's right or wrong  
To take a chance on losing you was such a silly thing to do  
The chance I might wake up and find you gone

Blue, so blue, my love is burning blue  
Any brighter flame would be a lie  
Blue, so blue, my love still burns for you  
But I know that I'll only make you cry

A thief can only steal from you, he cannot break your heart  
He'll never touch the precious things inside  
So one like you should surely be miles and miles away from me  
Then you'd never know how much I've lied

So try to understand the pain, it takes so long when I explain  
Please, don't you forget how much I've lied
