Sun shines through the window
There's nothing I could do
I tried to be
But it all fell through
I made you wait such a long time
I had to find it myself
I had to find it myself
In an old job's dream
And I will let go
And now the time has come
To me
Just for a day
Just for an hour
For awhile
I wanted you
I'm on my way
I won't be late
I'll be there
Baby that's all
I'll use my imagination
As much as I can
But all I can think of is you
Can I hold your hand?
I never knew what a difference
A difference could make
Why don't we go for a ride?
Or just float into space
And that's what I thought
Just for a day
Just for an hour
For awhile
I wanted you
I'm on my way
I won't be late
I'll be there
Baby that's all
Why don't we float off in to space?
For a day
Just for an hour
For awhile
I wanted you
I'm on my way

I won't be late
I'll be there
Baby that's all
