Things we did unthinking
The joke we left unsaid
Unsure how and when we were misled

And if that matters
It's to very few
And all that matters
For me is you

Is that enough, oh
Is that enough, well
It's not enough, no
If it's unclear the way I feel for you

I wonder if you're sleeping
I wonder how you know
I wonder why I hate to let that show

It's unimportant
As far as I can tell
What's important
I can't see so well

Is that enough, oh
Is that enough, well
It's not enough, no
If it's unclear the way I feel for you

It's true
What can't come back's what we can't bear to lose

I'm getting smarter
Nearly everyday
Waiting, waiting
To see my way

Is that enough, oh
Is that enough, well
It's not enough, no
There's just no way that it's enough

Is that enough, oh
Is that enough, well
It's not enough, no
If it's still unclear, the way I feel for you

It's sad but not untrue
What can't come back's what we can't bear to lose
