Got something to say, sit down on the bed
Something that I usually leave unsaid
It doesn't come so easily, I guess that's no surprise
I wanna see my heart's reflection in your eyes

Let's lock the door, hide the key
I'll try to look like you if you'll dress up like me
And you play dumb and I'll play too, nobody has to
know
I wanna see my heart's reflection in your eyes
In your eyes
Let's jump this ship, let's cut out
Let's get into the wagon and drive until the motor falls
out
I want just us two, I don't want to have to hide my heart
I wanna see it in your eyes as we ride on and on
