Frightened face
Worried Dream
Break my heart
With your sad scream
Sun is down
Spirits low
Hate my impatience
and Here I go
Come on, let's leave our misery
And crawl toward where we want to be
Can't we try? Can't we try?
Come on, sleep one night peacefully
When all ??? easily
That's not ???
When we're ???
My ???
Why so worried
You can't explain
Come on, let's leave our misery
And crawl toward where we want to be
Can't we try? Can't we try?
Come on, sleep one night peacefully
When all ??? easily
