Sometimes I don't get you
It's like I understand
All I do is a waste
And the look on your face
I can have
And I'm feeling myself it could be
Together was one happily
Sometimes I don't get you
I'm in the isle.

Sometimes I don't know you
It's like we never met
What seems fine by me
Is your long littany of regrets
Am I clinging to something that's passed
That was never intended to last
Sometimes I don't know you
Lessons made by me.

Sometimes I think I don't know
How to be on my own
Sometimes I won't answer the door
Or talk on the phone.

With you by my side
I don't have to mind
And twenties and drugs so
Then it can continue to grow

(musical)

And twenties and drugs so
Then it can continue to grow

Sometimes I don't get you
It's like I'm lost at sea
Then you say you're okay
And I know that you'll stay with me
Oh it never comes soon enough
We'll get through the difficult stuff

Whenever I'll be
I'll be there for you
And maybe I'll get you
And you get me.
