

Yo La Tengo "The Summer"

Visit "[The Summer](#)" on MotoLyrics.com

On darkened streets tonight
I see a simple time
I see the warning light
When the summer comes undone

No sorry closing eyes
No cutting down to size
No other thoughts arise
When the summer comes undone

On darkened streets tonight
I make a wrong turn right
Take in the lonely sight
When the summer comes undone
And I won't wait
And I won't have to
I just waste my time alone

'til the summer comes undone
'til the summer comes undone
'til the summer comes undone
