Heard your voice in my head too soon  
Pass girl, say it, it all cocoon  
Oh baby, make up your mind  
Please make up your mind

So we left a stone unturned  
Maybe that's a lesson learned, yeah  
Please make up your mind before it's too late

I didn't wish you'd turn that much  
That's where I draw the line as such  
Oh baby, make up your mind  
Please make up your mind

There's always more to see  
But it'll keep go another day hard  
Baby, make up your mind before it's too late

We got out of line  
It all worked out this time  
And everything's fine now  
Please make up your mind  
Please make up your mind

But if it's up, it's up to me  
I'm not sure that I'll come to see, yeah  
You better make up your mind before it's too late  
Baby, make up your mind 'fore it's too late  
You better make up your mind 'fore it's too late

Baby, make up your mind  
Baby, make up your mind  
Oh baby, make up your mind 'fore it's too late
