Feat. Playboy Tre & Rittz

Girl I got power seating, power steering, power windows, power lot
Bumping power out the drop, while we , into the block
Swear she legal but she leave her id at the spot
You keep touching all these buttons ,
, probably from the south,
all the sound of all these voices push the pedal let them out
Treat the coup like it's a couch, wipe it down then wipe your mouth
Now roll up this quarter ounce while your rubber booty bounce
Wanna be my benzer Bentley, got Lisa on the Chevy
Cadillac's a , bending corners blowing dollars
Cause that's the price of college, you a scholar do the knowledge
Got , for you to polish and some fluid , swallow
In the bay they call them , in the south call them slabs,
In the Callie , why they riding cabs
But my mom always told me be content with what you have
So we just sided the globe, pull out a pack of mags and let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride

Yeah, nine in half freeze from , put in works in ,space
I love my chicks to ride so when I drill I call it ,
Zoom is what my pedal say, slowly we celebrate
I'm , on that ,like the strings on a pedal weight
Make that booty levitate, over here we celebrate
Her mouth ain't that good I call her other friend with better face
Drill sergeant in the place you know what it is y'all
Call up 10 freeze tell them drop and give me 20 jaws
I got them bouncing off the wall like this was racquet

ball
The , born, the , breathe until my casket falls
I want your shoes up in the hall your panties on the dresser
I think your body need a lesson girl and I'm professor
Like rubber n my stretcher, heard into she on a stretcher
Like , she say that nigger , is hell
But still she coming back with a freaky look off in her eyes
You know I got you baby girl, get nude and let's ride

Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride

Fuck a , I'ma take a bitch and I'ma cut ,
Can't sit a girl here when you ride a shotgun
Her face in my lap and , under
, yeah girl suck a ,
,She don't love me, she wanna fuck my car
Ss on a money car , your boy never rhyme with the same ,
Got a west coast hoe which she love ,
, so I had to take her to the house get the fuck out bounce ,
In my oldsmobile looking oh so real where it smells like
,
, I'm a man cause , talking about blowjob
,and a old school breaking hoes off now let's ride

Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride
Now let's ride, oh, now let's ride, oh, now let's ride.
