20 eyes in my head
20 eyes in my head
20 eyes in my head
They're all the same, they're all the same

20 eyes in my head
20 eyes in my head
They're all the same, they're all the same

When you're seeing 20 things at a time
You just can't slow things down, baby
When you're seeing 20 things in your mind
Just can't slow things down

Then all those eyes
They're just crowding up your human face
Then all those eyes
Take an overload

20 eyes in my head
20 eyes in my head
20 eyes in my head
They're all the same, they're all the same

When you're seeing 20 things at a time
You just can't slow things down, baby
When you're seeing 20 things in your mind
Just can't slow things down

Then all those eyes
They're just crowding up your human face
Then all those eyes
Take an overload

20 eyes in my head
20 eyes in my head
20 eyes in my head
They're all the same

20 eyes in my head
They're all the same
20 eyes in my head

They're all the same
20 eyes in my head
They're all the same
