"No Expectations"

Take me to the station
Put me on a train
I got no expectations
To pass this way again

Once I was a rich man
Now I am so poor
Never in my sweet short life
Have I felt like this before

Your heart is like the diamonds
As you throw your pearls at swine
And as I watched you leaving me
You packed my peace of mind

Your heart is like the water
As it splashes on the stone
And your love is like your music
First it's here and then it's gone

So take me to the airport
Pour me on a plane
I got no expectations
To pass this way again
No not again

Take me to the station
Put me on a train
I got no expectations
To pass this way again
Not again
