VERSE 1

I thank you mommy blessed for giving life and hope to
me
My world, my heart, my life n everything I hope to be
Truely blessed, no regrets your my angel see
In my darkest hours mummy you were there help me
see
Firsts days of school remember you were there to see
me thru
Even tho my dad was gone managed to keep us
smiling too
Rest assured when I'm grown I'll keep you smiling too
Always there, always strong, just what angels do

CHORUS

Your my angel
Your the only sunshine in my life
Feels like heaven when you pick me in your arms

Your my angel
Your the only sunshine in my life
Feels like heaven when you take me in your arms

VERSE 3

Used to, tell me a story when I, couldn't sleep at night
Even tho you were hurt'n, you'd say, it's gone b alright
Feelin safe with mummy lookin, through those angels
eyes
No one could replce u, even tho they tried
My love for you mummy is more , than life itself
Really wish I did more for you then, now I kno I will
If you, could see what you mean to me mommy,
my angel's guide
Helped me, get thru this battle in this life,
my soldier's guide
