kaun jaane kaun jaane  
kaun jaane kaun jaane  
kaun jaane kyo aaisa hota hain  
jab koi chain apna khota hain  
jab koi sapna toot jata hain  
jab kahi koi chut jaata hain  
aankhein yeh gam chupa bhi leti hain  
dil magar haule haule rota hain  
kaun jaane kaun jaane

phool khilte hain toh murjhate bhi hain  
dil dhadakte hain toh gam paate hain  
rut jo aati hain toh chali jaati hain  
log milte hain toh kho jaate hain  
dil magar haule haule rota hain

log aaise bhi din bitate ahin  
jo bhi gam hain use chupate hain  
koi shikwa gila nahi karte  
sab birah mein bhi muskurate hain  
gul magar haule haule rota hain

kaun jaane kyo aaisa hota hain  
jab koi chain apna khota hain  
jab koi sapna toot jata hain  
jab kahi koi chut jaata hain  
aankhein yeh gam chupa bhi leti hain  
dil magar haule haule rota hain
