apani maan hai duniyaa ki sabse achchhi maan
iski mamtaa ke saaye mein ham badhate jaaye aage
aage aage
apani maan hai ...

apane khoon paseene se jisne lagaa ke seene se
hamein jeevan amrit pilaayaa hamen itna kaabil
banaya
vo apani maan apani maan hai ...

apani khushi ke sapane liye har saans hai jiski apane
liye
hamko jiskaa abhimaan hai jo apani sahi pahachaan
hai
vo apani maan apani maan hai ...

aaj khinn dukhiyaarii kyuun hai maan
aaj yuun haarii haarii kyuun hai maan
tere aaNsuoN ke khaarepan mein ye kadavaahat kaise
aayi
shaayad hami hain jisane teri aisi haalat banaai
bahut huua ab jaag aye hindustaanii
muskaan maan ki tujhe hai vaapas laani
bhai bhai ke khoon ka pyasa kyuun hai
mazhab ki kaisi hai ye kapat kahani
mehnat aur prem ka mantra ghosh
ik duuje mein ye jagao hosh
haath jod ye vinati kar rahi teri dulaari maan
teri bhaarat maan apani maan hai...
