Underneath  
The whistling tree  
Where the shore  
The shore meets  
The sea  
Dawns light  
Shines on  
you and me  
This is a place  
I should never be  
Meeting you  
Would be a crime  
An other place  
An other time  
Feel the pull  
Across the line

Ghost spirits  
On my mind  
Ghost spirits  
On my mind

Does it feel  
Like we're  
Getting sung  
shadows fade  
we've just begun  
Bright skin  
You have to be the one  
Must be gone  
Before the sun  
At the cry of the cockatoo  
Heartbeats what can I do  
Yaka mari  
Me and you  
What was one  
Again is two

Poison love  
Forbidden fruit  
Take my hand

It's evils fruit  
Poison love  
Attracting you  
Attracting me  
Attracting you

Poison love  
Forbidden fruit  
Don't think twice  
It's evils fruit  
Poison love  
Attracting you  
Attracting me  
Attracting you

Would it be so bad  
Another time  
Would it be so bad

Another waits  
The chosen one  
Broken promises  
Bloodlines run  
Feel the pressure  
Against the gun  
This is the game  
That could not be won  
Situation  
That seems so sad  
For the love  
That I could have had  
Frustration  
Drives me mad  
Loveless life  
Would be so bad

Would it be so bad  
Would it be so bad  
Another time  
Would it be so bad

Ganuru, melkarri, lorrpu ngotjawil  
Ngathi badikan djamba malakina yalulungala

Poison love  
Forbidden fruit  
Don't think twice  
It's evils fruit  
Poison love  
Attracting you  
Attracting me

Attracting you
