On a warm July night  
Moon and stars were in line  
That's when I saw you  
There in the crowd  
You were dancing in line  
Moving perfectly  
Bodies hot  
Sweat on the ground

If it's winter here  
And summer there  
I don't care  
Just wanna be here  
By your side  
That's all I want

I'll whisper your name  
When the morning comes  
I'll give you my love  
Meaningful love  
From the earth we feel  
The earth will heal  
You touch my mind  
You touch my heart

If it's winter here  
And summer there  
The pain we share  
We're two of a kind  
In my mind  
That's all I want

That's when I saw you  
There in the crowd  
You were dancing in line  
Moving perfectly

When summer's here  
And winter's there  
The stars still shine  
As seasons come

How reasons go  
So must I  
And so must I  
And so must I
