You don't look to pleased to see me,  
In fact you look jus a tad uneasy  
Coz those weary emotionless eyes still sting me  
Why can't they see you the way I see???????

You don't know me (what I could be)  
Why can't you see I ain't like any other  
Still I knows you (what you can do)  
Now I see that you're Chaci's lover.

Your smile drifts into tomorrow  
It's all over elaborate to show that your heart is unable  
to grow  
Now I'm here in the dusk of my sorrow

You will find we're intertwined  
However unkind I ain't like any other  
Still I knows you (what you can do)  
Now I see that's you're Chaci's lover

You don't know me (what I could be) why cant you see?  
I know you (what you can do) why the fuck cant you  
see????  
You will find we're intertwined however unkind I'm not  
like any other  
Still I know you (what you can do) now I see that's  
you're  
Chaci's lover  
Cha ci ci's lover
