Ya dirty primadonna don't tell me what I'm gonna do
when I'm old and grey
There has to be another punk for you to smother one
more ho for you to slay
I'll play you know I'll let ya but darlin' then I bet ya
won't get enough however hard you try
I'd share it if I had to but know that there on after I'll be
bleeding myself bone dry

So take a stupid gamble and end this stupid shambles-
just take what you need to see
And do just what you gotta coz damn I know you wanna
feel deep inside of me

There has some other sad sadistic lover to take the
pain of you
But you're habits paranoia and you'll swear you think
he saw ya frown at the things he just won't do
You're such a primadonna and by now you know you
oughta stop spreading that filth you spray
Hailing the monk is gonna kill ya wont get your 'oh so
bitter' claws under my skin I say o lay

Take me to a bridge now bag me up and meow I wanna
see that deep blue see
But when you get that feeling you know with whom
you're dealing is a fool that you just cant be
There has to be another punk for you to smother bleed
him dry and you'll hear him say

Take my feeling, take my reason but don't take my
damn advice
So sick and tired of those mugs so wired getting high
on such a price

Na take to a bridge now, bag me without fail I'm gonna
see that deep dark see
Coz sometimes I get that feeling I know with whom I'm
dealing is a demon inside of me

So throw me from the bridge and in my bag without fail

I'm gonna brave that deep dark see
And don't you get the feeling you're the fool and you
ain't dealing?
Fear the demon inside of me
