I gave you everything I had to give

I made you the breath I needed to live

Now as we stand at this terminal gate

Girl the only thing I got to say

It was too much, I loved you too much

Too much for my own good

Too much to stop if I could

Now it's too late, 'cause when a woman's mind is made up

Sometimes too much just ain't enough

I watched the distance grow every day

I held on tight while you slipped away

Maybe I'd have no regrets

If I had just given you less

But

It was too much, I loved you too much

Too much for my own good

Too much to stop if I could

Now it's too late, 'cause when a woman's mind is made up

Sometimes too much just ain't enough

Now it's too late, 'cuase when a woman's mind is made

up

Sometimes too much just ain't enough

Sometimes too much just ain't enough

It's just too much
