R.I.P Jordan babesz
Nothing has ever been the same
since that day you died
you were finally coming home
until that horrible accident took your life

you were my best friend
you helped me in so many ways
but even though your gone
I still remember you today

why did they take you away
why were you the one taken away
I ask myself those questions
each and everyday

you were at a trampoling tournament
you were the best on the team
I miss seeing you play
why does it have to be

you were so great
I just don't understand why you had to die,
you meant everything to me,
why couldn't God spare your life

I just hope my day will come
so I can see you soon
I just cant stand it anymore
I cant live without you

Love ya babesz sharna xxx
