Come on brother raise your hands  
Come on sister raise em higher  
Reachin' deeper, wake oh sleeper  
Rise from the dust, arise!

Throw off your despair, throw it down  
Shake off your sorrow, shake it down

Listening closely hear the MERCY CALLING  
Aren't you glad that all the work's been done  
Listening closely hear the MERCY CALLING  
Calling out for you and everyone

Whoa whoa, MERCY CALLING  
Whoa whoa, for everyone and  
Whoa whoa, MERCY CALLING  
Whoa whoa, MERCY CALLING yeah

Come on brother take a stand  
Come on sister start a fire  
God has called us, made us for this  
Make it your hearts desire

No more with despair, throw it down  
Shake off your sorrow, shake it down

Listening closely hear the MERCY CALLING  
Aren't you glad that all the work's been done  
Listening closely hear the MERCY CALLING  
Calling out for you and everyone

Whoa whoa, MERCY CALLING  
Whoa whoa, for everyone  
Whoa whoa, MERCY CALLING  
Whoa whoa, hear it calling you

Mercy's calling you and now  
Are you ever gonna be the one to go and take it  
Mercy's calling you and how  
Are you ever gonna answer it

Listening closely hear the MERCY CALLING  
Aren't you glad that all the work's been done  
Listening closely hear the MERCY CALLING  
Calling out for you and everyone

Whoa whoa  
Whoa whoa  
MERCY CALLING everyone yeah  
Listening closely hear the MERCY CALLING you!
