I Saw You In The Road.
I Noticed You'd Been Crying.
Your Lovely Eyes Gave You Away.
When You Said He'd Treated You Badly,
I Knew The Right Things To Say.

You Wanted To Be In Charge.
You Wore It Like A Silver Badge
When I Asked If I Could Buy You A Drink.
You Said, Don't You Use That Charming Authority
Until You've Had Time To Think.

Now You're Right Back With Him,
And I'm Left Standing With Nothing Again.
It's True, You Get What You Deserve.
That's Whay You're Back With Him.

I Shouldn't Have Been So Nice.
You Used Me For My Shoulder,
And Left Without Saying Goodbye.
Girls Like You Are Ruthless And Beautiful.
I'm Starting To Understand Why.

Now You're Right Back With Him,
And I'm Left Standing With Nothing Again.
It's True, You Get What You Deserve.
That's Whay You're Back With Him.

Now You're Right Back With Him,
And I'm Left Standing With Nothing Again.
It's True, You Get What You Deserve.
That's Whay You're Back With Him.
