Easy, This Should Be Easy.
So They Tell Me, They Should Know.
If I Just Take It Easy Will I Get Where I Need To Go?

With All That I've Got, There's Not Much I Need.
So Why Can't I Just Get It Right?
Oh, Shouldn't This Be Easy? Shouldn't This Be Easy?

Simple, Just Keep It Simple.
But I've Never Tried So Hard.
And Simple Is Not As Easy As It Sounded At The Start.

With All That I've Got, There's Not Much I Need.
So Why Can't I Just Get It Right?
Oh, Shouldn't This Be Easy? Shouldn't This Be Easy?

If I Could Keep This Picture In Mind
To Shadow The Worries And To Remind Me
It's So Easy.
If I Could Keep This Picture In Mind
To Shadow The Worries And To Remind Me
It's So Easy.

With All That I've Got, There's Not Much I Need.
So Why Can't I Just Get It Right?
Oh, Shouldn't This Be Easy? Shouldn't This Be Easy?
