It's been awhile
Since I've been loving you
It's been awhile
Since I've heard from you
Yeh

Moving stills in my mind
Taken a chance on me

Taken
Taken on your heart
Soft sounding keys
Playin' together
Something new
I know it's true
Can you see it in disguise
See it in your eyes
It's no disguise
I, can see it
Shine
Oh Shine!

Searchin'
Searchin' for your love
For your love searchin', searchin'
The greatest love

Show my way to the greatest love
