You Am I - Grand Ted  
=====

You've got me seen like a photo  
Or I've got an old photo  
Keep on your new feet  
And we're sharing the same seat

We're all singing the same songs  
The kid wants his pants low  
They're holding them in tight  
Just make him sleep alright

And I want sorrow  
From now on everything's cold in here  
From now on I want sorrow here today  
Today it's your day  
Today  
Today it's your day

I've got enough on my shelf  
Don't wanna do it all myself  
Want you to tell me what I don't  
Just tell me I look like a bum

Can't fake it with no-one  
Just wanna cry when it's all done  
Wrap me up in your flag  
Tell me my music's too loud

And I want sorrow  
From now on everything's cold in here  
From now on I want sorrow here today  
Today it's your day  
Today  
Today it's your day

And even if you wanted to get just bring it back to me  
And if you're wanting to leave I'm here  
And even if I hear what you said

What I said  
I'm telling you Ted
