=====  
You Am I - IOU2  
=====

Five star loving  
Drench me in the shower  
And when I go deaf  
Just turn it up louder  
And knock me over  
Just like you should  
More than you demanded  
More than you could

When the rider comes around  
Just be on time  
Everything's smooth and we fall down on wine  
And we fight about things  
Can't find words  
Forget about everything we heard

You spin any number  
Before Let It Be  
And you get hell drunk  
'Coz you don't need to see

And you ask me to stay so I will stay a day  
Drown me any hour  
Let's go down slowly  
Just you hitting me

When the rider comes around  
Just be on time  
Everything's smooth and we fall down on wine  
And we fight about things  
Can't find words  
Forget about everything we heard

You can ask me to stay and I will stay a day  
Ask me to come and I will make a break  
You can ask me to stay and I will stay a day  
Ask me to come and I will make a break
