You Am I - On The Planet Of The Apes

=====

Landed on a planet not unlike my own.
Men look heaps like apes.
Monkey freedoms roam.
Soldier aches on horseback.
Soldier aches on foot.
Learned apes with orange hair give you dirty looks.

You must fight to live,
You must fight to live,
You must fight to live
On the planet of the apes.

Befriended by one ape.
And much to my shocked grin
he began to speak to me
but I began to resent.

You must fight to live,
You must fight to live,
You must fight to live
On the planet of the apes.

Realise this was terran soil.
This was to be man's fate.
Monkeys treating me like shit.
You stinking apes, you filthy apes.

Learn all their customs.
Never tell them no.
Ape shall not kill ape.
God help those who do.

You must fight to live,
You must fight to live,
You must fight to live
On the planet of the apes.
